Rev. C. M. Boyd, of Doe West, will preach in the A. R. P. church at Prosperity on next Sabbath at 11 o'clock a. m., and at 4 o'clock p. m. Rev. Boyd has many friends in this community who will be glad of the opportunity to hear him. The public is invited to both services.

A Fireman's Close Call.

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters, and after taking it, I felt as well as I ever did in my life. Weak, sickly run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by all druggists. Price 50c."

Opinions on the Fight.

The Spartanburg Herald, with its usual enterprise and progress and in keeping with its up-to-date ideas on live issues, sent a telegram on the 24th inst., to the mayors of the different cities of this State and published them the day following. The almost unanimous opinion was that both Senators should be expelled from the Senate.

Mayor Klettner's reply was as follows: To The Spartanburg Daily Herald: Newberry, S. C., Feb. 24.—That is a matter entirely with the members of the Senate and about which I do not care to express an opinion. I feel that I voice the sentiment of my people.

O. Klettner, Mayor.

Mr. Bishop a Newberrian.

The following is from the Charlotte Observer:

"Col. and Mrs. D. G. Maxwell request the honor of your presence at the marriage of their daughter, Nancy, to Mr. George Meredith Bishop, on Tuesday evening, March the fourth, nineteen hundred and two, at nine o'clock, 408 North Graham street, Charlotte, N. C."

Miss Maxwell, who has been stenographer in the office of the Southern Railway at Columbia, S. C., recently returned to her home and will celebrate the anniversary of her birth, on the 4th of March, by marrying Mr. Bishop.

Mr. Bishop is the popular law agent of the Charlotte, Columbia and Augusta railroad. Mr. and Mrs. Bishop will live in Columbia, the home of the groom.—The State, 23d.

Night was Her Terror.

"I would cough nearly all night long," writes Mr. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked and spit blood, but when all other medicines failed, three bottles of Dr. King's New Discovery wholly cured me and I gained 38 pounds." It's absolutely guaranteed to cure Coughs, Colds, LaGrippe, Bronchitis and all Throat and Lung troubles. Price 50c and \$1. Trial bottles free at all druggists.

Facilities for Reaching Reunion Grounds at Dallas are Ample.

An incorrect impression has gotten abroad that the fair grounds at Dallas, which are to be used for the Confederate Veterans' Reunion, April 22nd to 25th, are reached by and accessible to only one line of railway entering Dallas.

In the interest of the citizens of Dallas and of the veterans who contemplate attending the reunion, this erroneous impression should be corrected. In addition to the railroad referred to, the Cotton Belt Route passes the reunion grounds, where all trains will stop, and furthermore this line has tracks on Parry avenue, opposite the main entrance to the grounds, where 30 to 40 sleepers and other cars can be parked for use of veterans during the reunion.

Street cars also run every few minutes between Dallas and the fair grounds, and veterans need have no fear that, come as they may, ample accommodations and facilities will not be provided for them.

New Sleeping Car Line to Charleston.

Southern Railway announces establishment of additional sleeping car line to Charleston, S. C., from Cincinnati, Chattanooga and Atlanta via Augusta, southbound leaving Cincinnati at 8:05 p. m., Chattanooga at 6:45 a. m., Atlanta at 3:10 p. m., Augusta 11:30 p. m., arriving in Charleston at 7 a. m. Returning, leave Charleston at 11 p. m., arrive at Augusta at 7:15 a. m., Atlanta 12:45 p. m., Chattanooga 9:50 p. m., Cincinnati 8:10 a. m.

On this sleeping car line will be handled Pullman sleeping cars, and this completes the excellent service afforded by the Southern Railway and its connections to Charleston on account of the exposition.

Something that Will Do You Good

We know of no way in which we can be of more service to our readers than to tell them of something that will be of real good to them. For this reason we want to acquaint them with what we consider one of the very best remedies on the market for coughs, colds, and that alarming complaint, croup. We refer to Chamberlain's Cough Remedy. We have used it with such good results in our family so long that it has become a household necessity. By its prompt use we have not a doubt but that it has time and again prevented croup. The testimony is given upon our own experience, and we suggest that our readers, especially those who have small children, always keep it in their homes as a safeguard against croup. Camden, (S. C.) Messenger. For sale by W. E. Pelham & Son.

JIM TILLMAN TO THE PRESIDENT.

He Withdrew the Invitation to Him to Present a Sword to Micah Jenkins.

[Special to The State.]

Augusta, Feb. 26.—Lieut. Gov. Tillman today in discussing the affairs in Washington stated he would, before leaving Augusta, wire Roosevelt asking the withdrawal of his acceptance of the invitation to present a sword to Maj. Micah Jenkins.

This afternoon he wired the following:

Augusta, Ga., Feb. 26, 1902. The President, Washington, D. C.:

A short while ago I had the honor to address your excellency a letter requesting that on the occasion of your visit to Charleston you present a sword to Maj. Micah Jenkins of the First United States Cavalry, of whose gallant services you spoke so highly, your words being engraved on the scabbard. You accepted the invitation, for which we thank you. I am now requested by contributors to the sword fund to ask that you withdraw said acceptance.

(Signed) James H. Tillman, Late Colonel First South Carolina Volunteer Infantry and Lieutenant Governor of South Carolina.

Tillman said: "It is with much regret I am directed, rather required, to have to send the telegram I did, especially in view of the fact that I am so closely related to one who but a few days ago was subjected to an affront which is seemingly, or the people who contributed to the purchase of the sword think, unwarranted. As far as I am personally concerned I care nothing, rather suspect Senator Tillman would have enjoyed more the usual informal meal with his family than catering to royalty at festive board where Booker Washington was a guest."

The lieutenant governor is still here awaiting a reply from Washington.

"I have used Chamberlain's Cough Remedy for a number of years and have no hesitancy in saying that it is the best remedy for coughs, colds and croup I have ever used in my family. I have no words to express my confidence in this remedy.—Mrs. L. H. Moore, North Star, Mich. For sale by W. E. Pelham & Son.

A Celebrated Oculist.

Dr. I. Crimm, the oculist and optician, has been receiving a large number of visitors during the past week at the Newberry Hotel, most of whom have been prominent citizens of our city. He has just received a letter from Mrs. R. D. Wicker, of Ninety-Six, and also one from Mrs. Coppedge, of Greenwood, whose eyes he fitted with glasses. They both send grateful acknowledgments for his success in their cases. Dr. Crimm will remain here only three weeks, and if you need glasses you should consult him.

Ninety-Six, S. C., Feb. 22, 1902.

Dear Sir: I have been using your glasses for three weeks, and I certainly can recommend you to any one. My eyes are entirely well; they never pain me any. I sit up at night and read and can see as good as any one—something I have never been able to do before.

Yours very truly,

Mrs. R. D. Wicker.

It is generally conceded by all who handle the same kind of good that we do, and know our prices, that we give the very best values of any House in the town.
